

Sierra Griffin

Camp Director

Having spent four years with Cedarbrook's camp program, Sierra Griffin rejoins us this year as its director. She grew up in Abington and Upper Dublin.

In May 2023, she received a BA in Early Education and Special Education from Arcadia University and holds certification in both fields. She did her student teaching at a charter school where she was specially trained in and worked with students having diverse disabilities. She taught a variety of grades from K-8th.

During camp's off-season she worked as a tutor and customer service associate at Giant Food Stores.

Sierra has been involved in expanding Cedarbrook's camp program to include engaging and innovative plans for families to enjoy and she looks forward to seeing both new and familiar faces this season.

She has a mixed breed dog named Bailey and two parakeets, Blue and Pikachu.
